

Enroll in a Chosen Learning Module for Credit

You've found the learning module you were looking for, now you want to enroll in it and complete it for credit in your Transcript. Follow the example below.

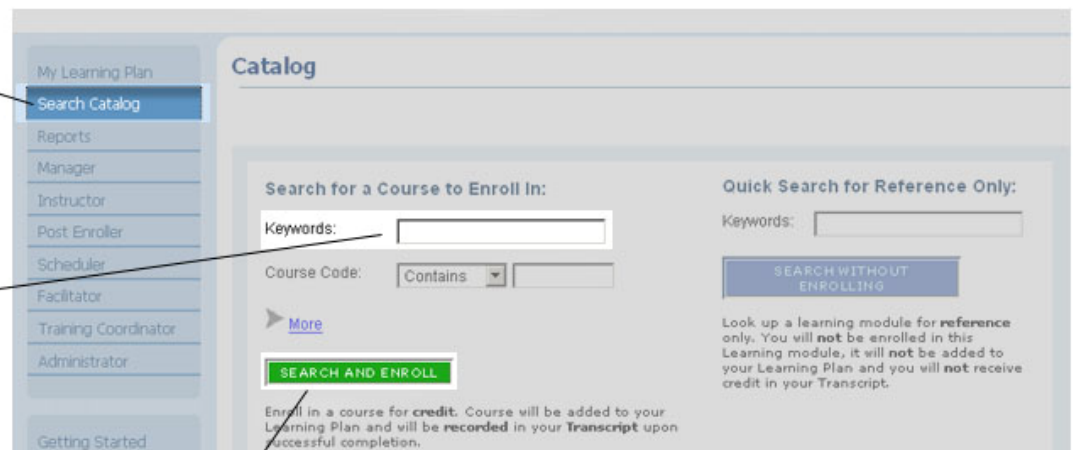

1

Select the title in the blue bar at the top of the page, right click and select Copy.

2

Click the Search Catalog link in MLearning.

3

Paste the title of the activity in the "keywords" box in the "Search for a Course to Enroll in" section.

4

Click the green SEARCH AND ENROLL button.
